

## RETAIL KIOSK

*reach your customers more effectively*

### *Are you looking to...*

*Increase your revenues at the store level?*

*Improve customer service in your stores?*

*Extend product offerings without expanding your stores?*

*Rollout customer loyalty programs quickly and inexpensively?*

*Get all-important feedback from your customers inexpensively?*

Today's customer demands a wide variety of products and services tailored to their **individual needs**. The **Greenridge Retail Kiosk** allows customers access to a much wider assortment of merchandise **taking up only minimal square footage in the stores**.

Our Kiosk Solution will help customers find **exactly what they want**, which **reduces lost sales**. They are available when customer service or sales people are not, kiosks let you transact business with your customers at **their convenience**. They can provide extensive product information, including price comparisons, which **increases customer confidence**.

Kiosks can easily handle **multiple tasks** including **gift registry, credit applications, job applications, and product explanation**. This reduces the sales associates' workload, **improving job satisfaction** and **reducing turnover**.

Our Kiosk solution lets Retailers **do more** without increasing labor costs. Retailers can also use them to **train sales associates** and **improve their effectiveness**.
